Window Tint

1. Corporate Window Tint

Tinted in line with state regulations, window tint darkens glass to increase privacy and protect vehicle contents. It also rejects up to 99% harmful UVA and UVB rays.

Safety

2. Vehicle Drive Recorder

An essential dash cam that records every drive in full HD quality, including superior night-time vision. The device can also record even when the car is parked by using the inbuilt Power Magic Pro that will cut off automatically, leaving enough charge in your battery to start your vehicle#.

3. Bury Phone Cradle XXXL & Charging

This universal cradle is suitable for many phone types and complies to road laws all the while charging your phone. *Hi-Gain Antenna is an optional extra with this product. Refer Hi-Gain Antenna in Electronic Accessories point for more information.*

4. Parking Sensors - Available in Front and Rear

Increase safety and minimise the risk of damage and injury while parking with these sensors.

5. Shuroo - Wildlife Protection

Alert wildlife with your cars presence to prevent any accidents and avoid costly smash repairs.

*Parking Mode also includes a safety-cut off feature to ensure your vehicles battery does not go flat and will shut down the camera if it detects it's getting low. Some vehicles may also require the optional Battery Backup System to enhance the stand-by time in Parking Mode.
