# About the Artist

Iesha Wyatt is an emerging Yued Noongar artist working in both painting and digital mediums, with a background in fine art and graphic design.

With a love for recreating traditional techniques in modern technologies, she uses symbols to condense complex stories into powerful visual images.

Currently employed part time as a social media officer as well as a freelance artist, she is working towards building her portfolio and making a name for herself with the goal of eventually working on her art full time.

Artwork name: We know the way

## Description:

This artwork embodies Fleetcare’s value proposition, ‘we know the way’.

Its colour scheme directly reflects Fleetcare’s corporate identity, while incorporating earth tones to signify a connection to the land and the essence of travel.

Intricate patterns at the base of the artwork communicate Fleetcare’s core values and identity.

Just above, patterns are influenced by Fleetcare’s personnel, symbolising their impact on customers’ lives through service.

At the top, symbols of meetings and travel represent the customers, reinforcing the idea of Fleetcare guiding them on their journey, which ties back to the value proposition, ‘we know the way’.

## A message from Reconciliation Australia

**Reconciliation Australia welcomes Fleetcare to the Reconciliation Action Plan (RAP) program with the formal endorsement of its inaugural Reflect RAP.**

Fleetcare joins a network of more than 2,500 corporate, government, and not-for-profit organisations that have made a formal commitment to reconciliation through the RAP program.

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement. The program's potential for impact is greater than ever, with close to 3 million people now working or studying in an organisation with a RAP.

The four RAP types – Reflect, Innovate, Stretch and Elevate – allow RAP partners to continuously develop and strengthen reconciliation commitments in new ways. The Reflect RAP will lay the foundations, priming the workplace for future RAPs and reconciliation initiatives.

The RAP program's strength is its framework of relationships, respect, and opportunities, allowing an organisation to strategically set its reconciliation commitments in line with its own business objectives, for the most effective outcomes.

These outcomes contribute towards the five dimensions of reconciliation: race relations; equality and equity; institutional integrity; unity and historical acceptance.

It is critical to not only uphold all five dimensions of reconciliation, but also increase awareness of Aboriginal and Torres Strait Islander cultures, histories, knowledge, and leadership across all sectors of Australian society.

This Reflect RAP enables Fleetcare to deepen its understanding of its sphere of influence and the unique contribution it can make to lead progress across the five dimensions. Getting these first steps right will ensure the sustainability of future RAPs and reconciliation initiatives and provide meaningful impact toward Australia's reconciliation journey.

Congratulations Fleetcare, welcome to the RAP program, and I look forward to following your reconciliation journey in the years to come.
